4. Enter your nine digit Federal Employer Identification Number (FEIN) on the following screen. The ten digit State Employer Identification Number (SEIN) is optional. Your employee's myAlaska account will be able to enter new hires for your FEIN until you request that we disallow it. Please contact our Employer Assistance Hotline at 269-6089 (toll free 877-269-6685) or email our New Hire Reporting customer service representative at dor.css.newhire@alaska.gov to have an employee's myAlaska account disassociated from your FEIN. Please provide your FEIN and the employees email address.

5. Once you have entered the FEIN you will be asked to verify your Company information, including the address of your Payroll Department. If you need to make corrections, you may do so. Please note the information you enter will not update the Department of Labor (DOL) database. The updated information will only be used for New Hire Reporting. Select Update/Save if you made updates, or Continue without Updating if you made no changes.

6. Once you have confirmed your employer information, you are taken to your Home page. At this point you may click on the "Add Employees" tab or "Add" link under Add Employees to begin entering new hire information. Both links are highlighted by green rectangles below. You may also return to update your employer information by clicking on the "Update Employer Information" or the "Update Info" link under Employer Info. Both links are highlighted by red ovals below. If you have a file of new hires to upload, you may do so by clicking on the "Upload" link, highlighted by a red plaque below under "Upload Employees". The upload function is also available on the Add Employees page. If you handle new employees for multiple employers (EINs), you can change to a different employer by selecting the "Change Employer" tab or selecting "Change" link under Change Employer. Both links are highlighted by blue hexagons below. To Logout at any time, you can select the "Logout" tab, highlighted by the purple circle below.

7. To add employees, enter the appropriate information in the required fields on the "Add Employee" tab. You can use the tab key to move from one field to the next. Click the "Add/Update" button when you have completed entering the employee information. A list of employees entered will be shown at the bottom of the screen. To edit or delete an employee in the list, click on their SSN and the information will be populated in the "Add Employee" tab. At that point you may change the data and click on the "Add/Update" button to update the information or click on the "Delete" button to delete the employee from the list. The list shows approximately the first twenty characters of the Last Name and Address Line 1 with .. to indicate the field contains more information and the first three characters for city. To view all fields for an employee in the list, mouse over the SSN. NOTE: The list of employees will NOT be submitted to CSSD *until* you select the "Submit List" tab and click on the "Submit List" button.
